HISTORY

MILESTONES

Ever since its earliest days, Samsonite has been the most innovative luggage manufacturer in the world. It has led the industry in using new materials and creating new designs. Here are just a few of the luggage landmarks that Samsonite has created over the years, as part of its tradition of innovation.

1910

The Shwayder Brothers, the company's original founders, manufacture robust wooden trunks.

1920

Wooden trunk

1930

Suitcase: Coated fibreboard with reinforced corners.

1958

Launch of Silhouette®, the most advanced luggage made up to that time, included a new, modern shape and recessed hardware to protect it from wear and tear.

1955

Introduction of breakthrough products including Ultralite™, the first suitcase made of lightweight magnesium and ABS.

1941

Introduction of a new type of luggage: Streamlite™.

1962

The first ABS attaché case is created for a new generation of executives.

1969

Launch of the new Saturn® suitcase, the first polypropylene case whose structure was fully supported by injection-moulded shells.

1974

The first Samsonite wheeled suitcase is created - a true revolution in travel comfort and convenience.

2002

Samsonite markets the four-wheel Spinner®, making travellers' lives easier.

1998

Xylem™: introduction of Samsonite's first aluminium product.

1986

The first suitcase with a three-point latching system: Oyster®.

2008

Launch of Cosmolite®, the strongest and lightest Samsonite ever up till then, manufactured in Europe.

2015

Neopulse™: Samsonite's first polycarbonate collection made in Europe.

2017

Discover the world of The Serious Traveller through our Cosmolite collection, a true hero in everyone's personal journey.

FLUX™

Experience Flux, the next generation of zipped polypropylene cases. Within this range, we combine years of profound polypropylene knowledge with a secure and flexible double zipper closure. Flux is the very first Samsonite hardside range offering (hidden) expandability on all sizes, assuring even greater packing volume in times of extra packing needs. Its cutting edge design gives a new blast of boldness, with every detail sculptured into the perfect travel companion. This collection was designed to make travel easier thanks to its smooth rolling double wheels, double tube wheel handle and fully lined practical interior to arrange your belongings.

- 360° multidirectional double wheels for easy manoeuvrability.
- Large volume capacity and practical (hidden) expandability on all sizes.
- Fully lined interior: zipped divider pad, large hinge pocket, functional elastic cross ribbons for easy and organised packing.
- Striking colour palette including Black, White and Navy Blue and 1 new bright summer colour Granita Red, also available in and matching our softside collection Duosphere and casual collection Rewind.

FUZE™

Fuze inaugurates a new generation of easy access luggage. Its name draws inspiration from the meaning of the verb /fju:z/, literally joining the best of innovative hardside and softside technology into one. Its moulded frame ensures thorough protection along with stable and smooth rolling, while the soft panels enable great flexibility both through the expandability gusset and practical, outside pockets. More specifically on the 2 cabin sizes, this innovative approach has led to a new dimension of easy access cabin luggage, offering both a spacious front and back pocket. To top it off, Fuze's great functionality also comes with a supreme look, including bespoke hardware detailing and a premium colour palette, embracing a new, funky Cobalt Blue.

- Protective, innovative moulded hardside frame.
- Easy access cabin luggage with spacious lockable front pocket (including integrated tablet pocket) and back pocket.
- Essential cabin and check-in sizes, including XL-size Spinner 82.
- Practical split case packing system (50/50) for all sizes.

SPECTROLITE SLG™

Spectrolite SLG embodies the cross-design concept with the Spectrolite 2.0 Business DNA. Its design perfectly symbolises what a modern SLG line should look like. Details such as the Gunmetal logo plate with coloured Samsonite lettering, the coloured parallel stitching and the printed pattern make of this line the perfect accessory for a modern outfit. Equipped with RFID, the line even protects your credit cards and identity.

- Gunmetal logo plate with light blue Samsonite wording.
- Interior: printed pattern in one CC slot.
- RFID protection.
- 100% cowhide leather with printed leather stripe.

GENERAL INFO

MEASUREMENTS

The dimensions shown in the tables are the exterior dimensions (including handles, wheels, bottom glides, side pockets and other external parts).

Measurements of volume, dimensions and weight are carried out in the Samsonite laboratories using procedures whereby tolerances up to 1,5 cm in dimensions and 5% in weight and volume cannot be excluded.

Samsonite reserves the right to amend the specifications, colours, dimensions and weight of any product without prior warning. Colour deviation may occur due to the printing technique used.

PRODUCT CODES

All Samsonite product codes appear as follows: Orfeo Spinner 55 - Ink Black:

QUALITY

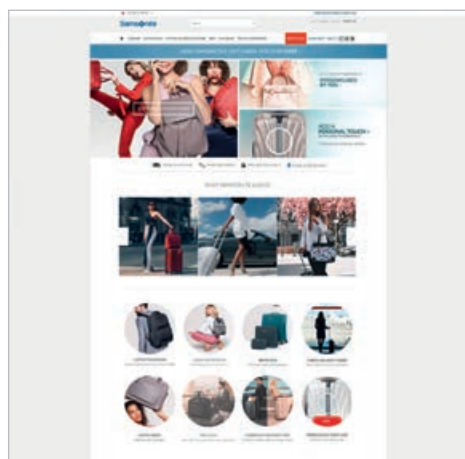

We deliver the quality. You conduct the test. Every journey. Every day. You might not have given it any thought, but each Samsonite product undergoes the most stringent controls and tests before it goes on the market. Of course, the ultimate test is conducted by you, the customer.
